++ Valid for broadcast between 1800 and 0600

Headline:
Showery for tomorrow, particularly early and across Shetland.

This Evening and Tonight:
A few clear spells at first but cloud increasing with outbreaks of rain spreading east through evening. The rain turns more showery again overnight with clear spells developing. Winds easing. Minimum temperature 3 deg C (37 deg F).

Friday:
A day of showers and brighter spells. Outbreaks quite frequent across Shetland at first, but tending to become fewer and further between through the afternoon. Southerly or southwesterly breezes. Maximum temperature 7 deg C (45 deg F).

Outlook for Saturday to Monday:
Dry, bright morning Saturday but afternoon rain then evening showers. Sunny spells and showers Sunday and Monday, but more persistent rain likely overnight. Potentially very windy Monday, especially across Shetland.
